Шампанское / Champagne

М. Hostomme одно из самых старых хозяйств в Шампани (производство чуть более 200 тысяч бутылок в год). Первые упоминания об этом хозяйстве задокументированы в 16 веке. В конце 19-го века Поль Остом решает отказаться от ведения смешанного сельского хозяйства, чтобы посвятить себя только виноделию и производству вина. Он также являлся одним из местных лидеров в борьбе с филлоксерой. В 30-х годах двадцатого века Марсель Остом, производит первые бутылки под маркой М. Остом. Сегодня хозяйством управляет четвертое поколение семьи - Лоран и его жена Кристель, которые успешно продолжают традиции семейного виноделия, производя свежие, элегантные вина из сортов Шардоне, Пино Менье и Пино Нуар в коммуне Шуйи.

Chateau Belle-Brise маленькое хозяйство из Помероля, оно расположено на превосходном почвенном профиле с характерной для Помероля «крассе де фер» богатой железом песчано-гравийно-глинистой почвой, объёмы производства Belle Brise невелики, около 800 ящиков в год. Нынешний владелец поместья — Анри-Бруно де Коинси, который купил поместье в 1991 году, — активно избегает того, чтобы известные критики и издания оценивали его вина. Такое сочетание редкости и относительной анонимности сделало это вино почти культовым. У Вас есть уникальная возможность прикоснуться к разным винтажам хозяйства.

LOMBARDY

WS 94 Sfursat 5 Stelle, Nino Negri 2015	81600
--	-------

Вина **Лино Мага** известны своим непостоянством вкуса, точнее постоянным разнообразием, что, безусловно, говорит о терруарности его вин и абсолютной натуральности. Его вина могут быть с остаточным сахаром, а могут быть и абсолютно сухими и никто не знает, какими они будут в итоге, пока не откроешь бутылку. Из-за уникальной технологии, но здесь лучше сказать, благодаря семейному секрету, вина Лино Мага получаются действительно «живыми» и на этикетках всегда присутствует надпись “non agitare la bottiglia prima di stapparla” – не трясите, перед открытием.
